

FAIR HAVEN.

Carrier Pigeons Race—New Storehouse—First Load of Oyster Plants—It Was a Queer Creature—Curiously Discovered in a Quarry—Union Services—Sunday School Work.

Dr. R. F. Burwell has received the program for the coming races of carrier pigeons. Among the local members of the New Haven Homing club are Dr. Burwell, Frank H. Foley and Fred Harmon, all owning flyers. Dr. Burwell having a coop of sixty birds. In the coming contests all will make entries. The races for old birds will begin May 19 for the 100 miles race, with the start at New Brunswick, N. J.; race for 200 miles, June 9, start at Havre de Grace, Md.; 300 miles, June 30, start at Manassas, Va.; 400 miles, July 14, Lewiston, Va.; and for 500 miles race on July 28 at Readville, N. C. For young birds, 50 mile race, July 21 from Stamford, Conn.; 100 miles, August 4, New Jersey, and the remainder between points in Virginia. The 150 mile race will be held August 18 and the 200 mile race September 1.

The new storehouse of W. A. Warner & Co., built on their wharf property on South Front street, is nearly completed. An addition has been built on the east side of the Dorman house and extending 75 feet to the wharf, giving a total length of 135 feet. This storehouse will be for a new business the firm will soon establish—dealing in bluestone, lime, plaster and cement. The water at the wharf is being deepened to give a depth of thirteen feet at high tide. The second floor of the Dorman house is being fitted up for two tenements.

H. A. Stevens will increase the depth of water at his coal dock to eighteen feet this season.

The schooner H. W. Pierce of Wellfleet, Mass., is expected soon from Hampton Bar with the first load of oyster plants from Virginia this season. Captain Charles H. Seeley is the chartermaster.

Freeman F. Clark at his stone quarry on Grove street came across a curiosity recently in the shape of a fossilized creature that is unlike anything in existence, so far as is known. The impression in the rock seems to have been of the under part of the animal. Its length was evidently about 18 inches, its width 10 inches. Huge scales like those of a snake's belly seem to have covered the same portion of this creature's anatomy, but this is the only respect in which it resembles a serpent. It evidently had a neck of considerable length—rather more than one would expect to find on a turtle, and yet the general shape gives the impression of a snake. The curiosity is on exhibition at the home of David Voorhees on Grove street.

Union services in the interests of Sunday school work will be held in the Grand avenue Congregational church this (Wednesday) evening at 7:45 o'clock.

The order of exercises:

ANNUAL CONVENTION IN THIS CITY YESTERDAY.

A Large Attendance of Delegates—Continued Prosperity of the Organization—County Directors' Reports—The Silver Jubilee of the Order in This State.

At the parlors of the St. Alloysius T. A. and B. society of this city yesterday afternoon the semi-annual meeting of the board of government of the Catholic Total Abstinence Union of Connecticut was held. There was a large attendance of delegates and much business was transacted. The convention was called to order at 2 p. m. by Hon. Walter Fitzmaurice of New London, the president of the state union. State Secretary Gaffney of Ansonia acted as clerk. The officers of the union and the county directors present included the following: President, Walter Fitzmaurice of New London; first vice president, H. F. Hagerly of Meriden; second vice president, Miss Maria Moran of this city; secretary, William Gaffney of Ansonia; treasurer, Charles Fitzgerald of Middletown; state editor, John G. McGowan of this city; county directors, James H. Freney of Waterbury, Frank Caffery of this city, Felix Callahan of Norwich, James Sullivan of Rockville, John Kelly of New Britain, Thomas Sheedy of Bridgeport. Executive James F. Brennan and Patrick Kent, both of this city, were also present.

The first matter brought before the meeting was the report of the state secretary. He reported that the societies of the union were never in a more prosperous and healthy condition. He made the following report of the condition of the societies:

Men members 3,119, men's societies 42, lady members 552, ladies' societies 7, cadets 698, cadet societies 13, lady members not reported 207, ladies' societies not reported 7, cadets not reported 183, cadet societies not reported 3; total members 4,769, total societies 72.

The secretary also reported that ten societies had not reported with a membership of 400. New societies admitted were the St. Mary's cadets of Branford and the St. Joseph's society of Poquonock. The societies that have not reported were the St. Mary's of Branford, St. Vincent de Paul adults and cadets of Danbury, St. Peter's and St. Augustine's of Hartford, St. Mary's of New Britain, St. Francis of Winsted, St. John's of Middletown, and St. Joseph's of Waterbury.

The various county directors made their reports and they were all accepted. County Director Sullivan resigned and M. J. Carr of Rockville was appointed his successor.

Rev. Patrick O'Brien of Fremont, O., president of the Ohio union, will give lectures in Connecticut in the near future. His open dates are from April 23 to May 2. He will speak in Bridgeport March 26, Middletown March 27, and New London March 28.

It was voted to celebrate the silver jubilee of the anniversary of the Connecticut union in Norwich on August 15. The state convention was to have been held on the fourth Tuesday in August, but it was changed yesterday to the 15th of August. There will be a grand mass meeting held and the St. Mary's society of Norwich will make all the arrangements.

This convention will be out of the ordinary and a large demonstration will probably be held. There will be no parade, however.

After remarks for good and welfare of the cause the meeting adjourned to meet in Norwich on the evening of August 14.

OBITUARY NOTES.

Death of Mrs. Charles Knight.

Many friends will learn with deep regret of the death of Mrs. Charles Knight, which occurred at her home, 319 Orchard street, Monday at 1:30 p. m. She was 80 years of age.

She was born in New Britain, where she married Mr. Charles Knight, and after residing for a short time in Providence, R. I., they removed in 1854 to New Haven, where they have since made their home. Mr. Knight having been for over a quarter of a century a valued employee of Brockett & Tuttle, carriage manufacturers on Goffe street. Shortly after coming to New Haven Mr. and Mrs. Knight located the West chapel, located at Chapel and Day streets, and continued as members there until that body, finding its quarters too small to accommodate its steady growth, united with the Wesley chapel, corner of Davenport avenue and Ward street, now occupied by the German Lutheran society, to form the Trinity Methodist Episcopal church, erecting the present substantial edifice at George and Dwight streets and beginning its parish life under the pastorate of Rev. Dr. Goodsell, affectionately remembered here by many. Mrs. Knight, while enjoying excellent health last October underwent an operation for the removal of a cancerous growth, which was successfully performed and from the effects of which she rapidly recovered, but about two months ago she contracted a severe cold, which developed into neuralgia and rheumatism, and for the past five weeks she had been confined to her bed. A shock of partial paralysis a fortnight ago prostrated her to an extent from which she never fully rallied, and sustaining a second similar stroke on Monday her death succeeded almost instantaneously. She was conscious to the end. Besides her husband there are left to mourn her loss two sisters, Mrs. Elmore S. Tyrrell of 539 Elm street, this city, and Mrs. Gates, wife of Landford Gates of the Bay View hotel, Niantic, one brother, William Clingan of Woodbridge, and a daughter, Mrs. Walter F. Parsons of this city. Another daughter, Gracie, a young girl of beautiful character, died about five years ago, being the third daughter lost by death. Mrs. Knight was a kind and dutiful wife and mother, a sincere friend and an earnest Christian. The funeral will take place from her late residence, 319 Orchard street, to-morrow afternoon at 2:30 o'clock. Rev. Dr. Vall of Trinity officiating, and the interment will be in the family lot in Evergreen cemetery.

DEATH OF ALBERT AUSTIN.
Albert Austin, a prominent citizen of Suffield, died Monday afternoon, aged eighty-four years of age. He was one of the first to join the ranks of the

republican party, but changed in politics during the Greeley campaign. He represented Suffield in the house and served two terms in the senate. He also held the office of railroad commissioner for two terms. He was well known years ago in state politics all over the state and many older New Haven people will remember him as prominent in the legislature, having formed his acquaintance in this city in the sixties, when that body met here at the old state house. He was a sturdy, energetic man, loyal to his convictions and his friends and a man of sterling integrity.

DEATH OF MRS. GEORGE PLANT.
Mrs. Eliza, wife of George Plant of Branford, died yesterday, aged sixty-three years. Mr. Plant is one of the old residents of Branford and lives on a farm near the village. He is a cousin of Henry F. Plant, owner of the Plant Steamship line.

ALEXANDER M. FRANCIS DEAD.
Alexander M. Francis, a patient at the general hospital, died at that institution Monday night of gangrene. He was eighty-three years of age and served in Company A, Twenty-first C. V., during the late war.

FUNERAL TO-DAY.
The funeral of Minnie E. Johnson, daughter of Levi Johnson, who died in this city Sunday, will be held at the home of her sister, Mrs. A. H. Ailing, No. 1406 West Chapel street, this afternoon.

DIED IN STRATFORD.
Stratford, March 19.—Asa S. Curtis of Stratford, one of the best known residents in this section of the state, died last evening, aged eighty-two years. He enlisted as a flier, without pay, in the Seventeenth Connecticut Volunteers, and served during the war. He was for many years a prominent republican.

DEATH OF WILLIAM F. YOUNG OF THIS CITY.
Hartford, March 19.—William F. Young, youngest son of William Young

of New Haven, died at the home of his aunt, Mrs. Young, on Belden street, this city, yesterday afternoon at the age of twenty years.

He had had heart trouble for some time and about a month ago was obliged to give up his work in John Duggan's grocery store at New Haven. He came to reside with his aunt in this city in hopes that the change would benefit him.

Beside his parents two brothers, John Young of Middletown and Fred Young of Boston, survive him. He had many friends in this city and New Haven who will miss his genial fellowship.

The funeral will be held Friday morning with prayers at the home of his aunt at 9 o'clock, and a requiem high mass at St. Patrick's church at 9:30. The body will be taken to New Haven for burial immediately after.

Third of Mr. Cheeswright's Recitals.
At Steiger hall this afternoon Mr. Cheeswright will give the third of his recitals. The life and works of Frederick Chopin will be the subject of the lecture, and the following compositions will be played:

Two Nocturnes, Nos. 9 and 12.
Two Preludes.
Three Mazurkas.
Waltz in A flat.
Fantasia Impromptu in C sharp minor.
Ballade in A flat.
Theme with variations.
Funeral March.

The Waterbury American says: Walter W. Bronson of Washington, Conn., expects to remove his family to New Haven, which will be a loss to this community.

BONAMI
THE MODERN CLEANER

What the March Winds Said.

Tell me, ye winged winds, that round my pathway roar,
Can you direct me to the nearest grocery store
Where I can buy some bread—the famous "QUAKER" kind,
Made by Root, "the baker man!" It leaves others far behind!
The "gentle zephyrs" stopped their serenade—
As they were astounded at the questioner's ignorance in regard to the fact which everyone knows, namely: That

Root's Famous Quaker Bread

Is sold by all first-class grocers, and is absolutely the best and most palatable ever presented to the New Haven public. But, taking another look at the man they concluded perhaps he was a "recent arrival," and gathering again in force they replied:

All grocers keep it, as it is the best that's made.

Made by the original process at the

Bakery at 859 Grand Avenue.
